

# GPS Tracked Athletes - British Championships

We are bringing GPS tracking to the British for the first time to improve the experience for fans and competitors.

Below are the athletes to be tracked and their GPS device numbers - 25 men and 25 women. GPS and vests should be picked up from within the enquiries tent. If you have your own vest please use it but let pick-up if you are.

Tracking can be viewed online during and after the event with links at [ukeliteoleague.org.uk/2020-2/#Rd3](http://ukeliteoleague.org.uk/2020-2/#Rd3) or direct at [events.loggator.com/BOC2020-M21E](http://events.loggator.com/BOC2020-M21E) [W21E](#) [M20E](#) [W20E](#).
